

# Add value to your benefits offering with MetLife Legal Plans

## Help increase peace of mind for personal legal matters

Employees may need help when they navigate important moments in their lives — like buying a home or creating a will. When they don't have easy access to that help, it can result in reduced productivity at work.

## Cost effective, personal legal plans

With MetLife Legal Plans, you get an easy-to-implement, voluntary benefit that provides your employees with convenient, professional legal counsel — at virtually no cost to your organization.

## Convenient for employees, smart for small businesses

Offering employees access to professional legal services can be a simple, cost-effective way to add value to your benefits program.

### MetLife Legal Plans advantages

- Full service on an unlimited number of legal matters
- Access to attorneys in person, by phone, email or mobile app
- Money-back guarantee
- No deductibles, copays, claim forms or usage limits when using a network attorney for a covered matter

### Experienced, responsive professionals

Employees will have access to our national network of more than 18,000 attorneys who meet established selection criteria. The attorneys have an overall average of 25 years of experience and offer a broad range of legal services.

If employees have an attorney they'd like to use that's not in our large network, there's an out-of-network option available, too.<sup>1</sup>

We offer employees the ability to choose an attorney for estate planning or create their own estate planning documents using our newly enhanced website. With our digital estate planning solution, employees are taken through a simple, guided process to complete wills, living wills and/or power of attorney, in as little as 15 minutes.
