

Side by side for a better health plan

For healthier GOA Regional
Business Association
businesses, we're all in.

Health insurance is the No. 1 requested benefit by employees.¹ But as many Illinois small business owners know, it isn't easy to find quality health benefits your employees want at a price that fits your budget.

Working together with the GOA Regional Business Association, the Community Chamber Program gives your small business members-only access to big-business employee health benefits at competitive rates.

A local program like this delivers:

A large provider network

Plan participants can access a robust provider network nearby and nationwide, including 1.2M+ physicians and health care professionals and 6,500+ hospitals.³

Plans built for your business

UnitedHealthcare Level Funded health plans are designed for savings, flexibility and stability—with rates based only on your plan participants (groups 2–50 not subject to adjusted community rating). So if their medical claims are lower than expected, your health plan may get a surplus refund at year-end.⁴ Choose from a range of plan designs and benefits, like built-in pharmacy and HealthiestYou™ virtual care.

Additional savings when you bundle

Lower your health plan monthly payments by up to 4% when you offer a UnitedHealthcare vision, dental or other specialty plan alongside a UnitedHealthcare medical plan.

Rewards for your plan participants

Available at no additional cost to you, UnitedHealthcare Motion® is designed to reward participants for completing certain daily activity goals like walking, cycling, swimming and more. Participants use a wearable fitness tracker to track progress and may earn rewards of up to \$1,095 per year for their health savings account (HSA).*
