Benefit Summary

Charter Platinum 1000
Illinois - Charter
Charter - Plan BHPJ

What is a benefit summary?

This is a summary of what the plan does and does not cover. This summary can also help you understand your share of the costs. It's always best to review your Certificate of Coverage (COC) and check your coverage before getting any health care services, when possible.

What are the benefits of the UnitedHealthcare Charter Plan?

Get a plan with a Primary Care Provider (PCP) to help coordinate your care.

This is a health plan that requires you to select a PCP who can help guide you through the health care system so you can get the right care at the right time.

> **Select your personal PCP from the plan network.** Each enrolled person must select a PCP. Your PCP must be in an area where you (the subscriber) lives. Your PCP will be your first point of contact when you need care.

> **You need to get online referrals from your PCP to see a network specialist.**

> **There's no coverage if you go out of network or if you see a network specialist without a referral.** You will be responsible for the entire cost of the service.

> **Preventive care is covered 100% in our network.**

Not enrolled yet? Learn more about this plan and search for network doctors or hospitals at **welcometouhc.com/charter** or call **1-866-873-3903**, TTY **711**, 8 a.m. to 8 p.m. local time, Monday through Friday.

Are you a member?

Benefits At-A-Glance

What you may pay for network care

Co-payment	Individual Deductible	Co-insurance
(Your cost for an office visit)	**(Your cost before the plan starts to pay)**	**(Your cost share after the deductible)**
$25	$1,000	You have no co-insurance.

This Benefit Summary is to highlight your Benefits. Don't use this document to understand your exact coverage for certain conditions. If this Benefit Summary conflicts with the Certificate of Coverage (COC), Schedule of Benefits, Riders, and/or Amendments, those documents are correct. Review your COC for an exact description of the services and supplies that are and are not covered, those which are excluded or limited, and other terms and conditions of coverage.

Annual Deductible

What is an annual deductible?

The annual deductible is the amount you pay for Covered Health Care Services per year before you are eligible to receive Benefits. It does not include any amount that exceeds Allowed Amounts. The deductible may not apply to all Covered Health Care Services. You may have more than one type of deductible.

> Your co-pays don't count towards meeting the deductible unless otherwise described within the specific covered health care service.

> All individual deductible amounts will count towards meeting the family deductible, but an individual will not have to pay more than the individual deductible amount.

Medical Deductible - Individual	$1,000 per year
Medical Deductible - Family	$3,000 per year
Dental - Pediatric Services Deductible - Individual	Included in your medical deductible.
Dental - Pediatric Services Deductible - Family	Included in your medical deductible.

> All individual out-of-pocket limit amounts will count towards meeting the family out-of-pocket limit, but an individual will not have to pay more than the individual out-of-pocket limit amount.

> Your co-pays, co-insurance and deductibles (including pharmacy) count towards meeting the out-of-pocket limit.

Out-of-Pocket Limit - Individual	$1,700 per year

What is co-insurance?

Co-insurance is the amount you pay each time you receive certain Covered Health Care Services calculated as a percentage of the Allowed Amount (for example, 20%). You pay co-insurance plus any deductibles you owe. Co-insurance is not the same as a co-payment (or co-pay).

What is a co-payment?

A Co-payment is the amount you pay each time you receive certain Covered Health Care Services calculated as a set dollar amount (for example, $50). You are responsible for paying the lesser of the applicable Co-payment or the Allowed Amount. Please see the specific Covered Health Care Service to see if a co-payment applies and how much you have to pay.

What is Prior Authorization?

Prior Authorization is getting approval before you receive certain Covered Health Care Services. Physicians and other health care professionals who participate in a Network are responsible for obtaining prior authorization. However there are some Benefits that you are responsible for obtaining authorization before you receive the services. Please see the specific Covered Health Care Service to find services that require you to obtain prior authorization.
